Such complaint shall be in writing, signed by the accuser or accusers, and verified under oath, and such complaints shall be investigated as set forth in section 73-7-7. If, after the investigation, the board through its administrative review agents determines that there is not substantial justification to believe that the accused licensee has committed any of the offenses enumerated, it may dismiss the complaint or may prepare a formal complaint proceeding against the licensee as hereinafter provided. When used with reference to any complaint filed against a licensee herein the term "not substantial justification" means a complaint that is frivolous, groundless in fact or law, or vexatious, as determined by unanimous vote of the board. In the event of a dismissal, the person filing the accusation and the accused licensee shall be given written notice of the board's determination. A conviction of violating any of the provisions of this chapter shall be ground for automatic suspension of the license or certificate of such person.

(3) The board shall not revoke, suspend or refuse to issue or renew any license or certificate or fine, place on probation or otherwise discipline any person in a disciplinary matter except after a hearing of which the applicant or licensee or holder of the certificate affected shall be given at least twenty (20) days' notice in writing, specifying the reason or reasons for denying the applicant a license or certificate of registration, or in the case of any other disciplinary action, the offense or offenses of which the licensee or holder of a certificate of registration is charged. The process issued by the board shall extend to all parts of the state and such process shall be served by any person designated by the board for such service. The person serving such process shall receive such compensation as may be allowed by the board, not to exceed the fee prescribed by law for similar services. All witnesses who shall be subpoenaed, and who shall appear in any proceedings before the board, shall receive the same fees and mileage as allowed by law.

(6)Where in any proceeding before the board, any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state, in the same manner as are enforced for the attendance and testimony of witnesses in civil case in the courts of this state.

(7)The board shall conduct the hearing in an orderly and continuous manner, granting continuances only when the ends of justice may be served. The board shall, within sixty (60) days after the conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last known residence or business address of such applicant, licensee, or holder of a certificate, by way of United State first class, certified mail, postage prepaid. Such applicant, licensee, holder of a certificate, or person aggrieved shall have the right of appeal from an adverse ruling, or order, or decision of the board to the chancery court upon forwarding notice of appeal to the board within thirty (30) days after the decision of the board is mailed in the manner here contemplated. An appeal will not be allowed in the event notice of appeal together with the appeal bond hereinafter required shall not have been forwarded to the board within the thirty-day period. Appeal shall be to the chancery court of the county and judicial district of the residence of the appellant, or to the Chancery Court of the First Judicial District of Hinds County, Mississippi, at the election of the appellant. course by the court which shall review the record and make its determination thereon.

(8)The appellant shall, together with the notice of appeal, forward to and post with the board a satisfactory bond in the amount of five hundred dollars (\$500.00) for the payment of any costs which may be adjudged against him.

(9)In the event of an appeal, the court shall dispose of said appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. If there is an appeal, such appeal may, in the discretion of an on motion to the chancery court, act as a supersedeas. However, any fine imposed by the board under the provisions of this chapter shall not take effect until after the time for appeal has expired, and an appeal of the imposition of such a fine shall act as a supersedeas.

(10)Any fine imposed by the board upon a licensee or holder of a certificate shall be in accordance with the following schedule: (a) for the first violation, a fine of not less than Fifty (\$50.00) dollars nor more than One Hundred dollars (\$100.00) for each violation, (b) for the second and each subsequent violation, a fine or not less than One Hundred dollars (\$100.00) nor more than Four Hundred dollars (\$400.00) for each violation.

The power and authority of the board to impose such fines under this section shall not be affected or diminished by any other proceedings, civil or criminal, concerning the same violation or violations.

(11)In addition to the reason specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153 of the MS. Code. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for the purpose, shall be governed by Section 93-11-157 or 93-11-163 of the MS code, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedures specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of 93-11-157 or 93-11-163, as the case may be, shall control.
